Regrets sanction, in the circumstances stated, to appoint the Special I Class Magistrate, Davangere as Assessing Officer, Davangere Town Municipality in which the revision of assessment on buildings & lands falls due at the beginning of the next official year
Submitted for orders
PM 5/12

1) Under Sec 65(1) of the Mysore Town Mlties Act 1933, Govt shall appoint an assessor for the assessment of taxes in the form of a rate on buildings or lands or both in the Mlty Assessing officers for this work in the several Mlties are accordingly appointed by the Govt out of a list of Candidates eligible for being posted as Chief Officers & Assessing officers.

2) The proposal in this case is not to appoint any such Official as an Assessing officer but to appoint the Special First Class Magistrate Davanagere as an Assessing Officer with an allowance of Rs 50/- p m

3) The point for consideration is whether the appointment of the first-class magistrate as an Assessing Officer in addition to his duties will not interfere with his duties as a magistrate In a big town like Davanagere, it means considerable work as sometimes the dimensions of the houses will have to be first measured & marked and assessment registers will have to be first written up & notices in regard to increase in assessment etc will have to be issued This aspect of the matter will have to be considered ~~off~~ first and the opinion of the High Court is necessary before further action is taken, as it may interfere with his judicial work

4) Another aspect of the question is that under Govt No L 27 43-45) Rev 149-33-2 dated 24/31 10 1933, the Special First-class Magistrate, Davanagere is empowered to hear appeals against any notice of demand under sub-section 3 of Sec 90 of the Act within his jurisdiction when the buildings are assessed by him on revision of appeals Hence to be fresh, they should go only before him & such

cases the parties ought contend about the proceedings before such a magistrate who has some knowledge of the affair as he is apt to think assessment his impartiality may be impugned It is not therefore advisable to entrust him with such work

5) Having regard to the above facts, it is respectfully submitted that the proposal of the D.C. Chittoor may perhaps be turned down and a Deputy Collector appointed as Hearing Officer for Dawanagar

Sd/ 8/3/41 for orders

6) For reasons given in the preceding paragraph, the appointment of Special First class Magistrate as Hearing Officer is not deemed feasible. A special officer with the rank and status of an Assistant may be appointed for the purpose as may done in the year 1936

8) Kind reference is respectfully invited to the G.O.s dated 3.7.40 and 5.11.1940, according to which the City Magistrate, Mysore has been appointed — not as the Assessing Officer for the revision of assessment on buildings & lands in Mysore city under Sec 68 of the City Mlties Act 1933 — but as the Revising authority under Sec 72 (2) of the said Act, with the powers of the Managing Committee in this behalf delegated to him

9) Similarly under Sec 69 (2) of the Mysore Town Mlties Act 1938, there is provision to appoint Town Officers such as a First Class Magistrate as a Revising authority with the permission of Govt & with the powers of the M.C. delegated to him, in the Davanagere Town Mlty But Sec 65 of the Act does not contemplate the appointment of a Govt Officer as an Assessing Officer.

In the above reasons & in view of the facts stated at paras 3 & 4 supra, it is for consideration & orders if the First Class Magistrate, Davanagere may be appointed as the Assessing Officer, Davanagere Town Mlty, as recommended by the D.C. Refer para 7 supra

44) In para 37 supra, explanation has been asked for as to the delay in posting an Assessing Officer to the Davangere Town Municipality. The following is submitted.

45 Davangere is a Town Municipality with an income of over Rs.50,000 Previously an officer of the status of an Amildar was appointed from the Amildari list as the Assessing Officer, viz. Mr.M.Narasimhaiya who is now the Amildar of Hunsur Taluk

46) According to the Standing Orders, an officer of the first grade viz Rs.100-5- 125 has to be appointed to this Municipality, the income being over Rs.50,000/-

47) As it has been the practice to appoint candidates from the eligibility list, only to the II Grade in the first instance, and then promote them to the I Grade, it was thought not desirable to appoint any candidate from the list to the Davangere Municip lity. Besides, while appointing Assessing Officers, the postings are so regulated that they would have continuous work as the assessing work - would generally last for a few months in each Municipality. It was with this view that Mr Alasingrachar, I Grade Officer getting Rs.100 plus 25 who was the Assessing Officer in Mysore District and who would become available in the month of October 1941 was proposed to be -- appointed to the Davangere Town Municipality.

48 The ~~Member~~ Minister, L.S.G & P H was pleased to call for a statement of Chief and Assessing Officers employed in the several Municipalities in the State indicating their qualifications, pay and the departments from which they were recruited together with the list of candidates --

43) A statement was accordingly prepared and submitted after looking into the previous files bearing on the subject.

50) Having regard to the ~~above~~ facts stated above, it is respectfully submitted that the delay in taking action in this case is regretted.

51) In regard to the observation at para 38 sup-ra, the notes in the connected file show that no Govt order was put up It is difficult to say now why a Govt order was not put up then, except it be on the ground that -- appointments and postings are done only by the Government. This point as to whether an order should be put up approving the list of candidates has been specifically raised in the file in which a draft fresh list has been prepared and submitted. Action will be taken in accordance with the orders to be passed thereon.

57) In accordance with G.O.No.L.10088-110/Ml.166-37-5 dated 17th June 1938, a list of candidates eligible for being appointed as Chief Officers and Assessing Officers was prepared for the first time in April 1939, after calling for names from the Heads of Departments. The draft list was submitted to the then Second Member of Council who, after perusing the list, ordered as follows -

"Please bring up I think we may omit from the list names included in the Amildari list"

Ml.74-38 & 3,8,9 etc.37

(Vide para 53 of the notes in the file)

58) Accordingly the then Secretary, L.S.G. obtained the further instructions of the Member thereon The file was resubmitted to the Second Member after taking action in accordance with his instructions The list (flag N) was finally approved by the Second Member of Cayne on 15-4-39 (Vide para 57 of the notes).

of the then Assistant Secretary Mr. Safder Hussain dated 5-4-1939. This list was finally approved by the Member on 15-4-1939 as stated above.

61) It may be further submitted that orders of appointment in regard to all the candidates included in the first list have been passed. Appointments have been made in respect of each and every candidate included therein, only after obtaining orders in individual cases (Vide copies of Government Orders put up). Very recently four candidates viz., serials 17, 18, 19 and 20 out of the same list were also appointed as Chief Officers and Assessing Officers. Thus this list is completely exhausted. It is a point for consideration whether the Chief Secretary need scrutinise the orders passed in the L.S.G. Branch some three years ago. 1 Such scrutiny necessary 4/4

62) A draft fresh list has been prepared and put up for orders separately in the linked file. Even from this list, already 3 candidates viz , Messrs R S Kumar, Gangoji Rao and Thimmiah have been appointed - the first two as Assessing Officers and the last one as Chief Officer.

63) With reference to the observations at paras 55 and 56 of the notes, it may be submitted that, in the list of April 1939, the names were <u>arranged first according to pay and then according to length of service without regard to community</u> (vide para 46 of the notes in that

file). According to this arrangement, those who were getting less pay and had put in less service have been naturally placed lower down in the list and they have not been deliberately assigned such places

64) In the draft fresh list now prepared in the linked file, the question of the communal representation has been specifically raised for orders The C R.B. rules have not been applied so far to these appointments as they are of a temporary nature and the list is prepared from out of the applications recommended by the various Heads of departments. Copies of the C.R.B. rules etc , are put up. The question has to be decided now whether these rules should become operative in the case of these appointments and if so, in what proportion.

SUBJECT — Revision of Assessment on Buildings and Sites situated within the limits of Davangere Town

In forwarding herewith in original correspondence received from the President, Town Municipal Council, Davangere ending with his letter No G C 273/40-41 dated 24th December 1940 on the subject noted above, I have the honour to state as follows -

2 The revision of assessment on house and land taxes in the Davangere Town during the year 1936-37 was taken up a special Assessing Officer of the status of an Amildar, appointed by Government for the purpose in accordance with G O No L 4155/111 24-36-22 dated 7th December 1936 The revised Assessment was given effect to during the year 1937-38

3 Under section 71 (1) of the Town Municipalities Act 1933 the taxes on houses and land have to be revised once in every four years According to this rule, the period of four years expires at the end of the current year 1940-41

4 The President states that the question of revising taxes on Buildings and lands was considered by the Municipal Council at its meeting held on 18-9-1940, when it was resolved that revision of Assessment might be taken up during the current

current year, by the Chief Officer attached to the Municipality (vide resolution copy enclosed for kind reference)

5 Proposal having been received in this office for entrusting the Revision of Assessment work to the Chief Officer of the Municipality the question was examined in all its aspects

6 I write to state in this connection that the routine duties of a Chief-officer in a busy and commercial place like Davangere Town will keep him fully occupied and the tackling of revision work in addition to his routine duties will retard the progress of revision work

7 Having in view the above aspect, and the need to have a special officer for taking up the revision of assessment work, it was suggested to the local Municipality as to why the Special First Class Magistrate of the place may not be appointed as Assessing Officer on payment of some allowance from the Municipality

8 It is reported by the President that this aspect of the question having been considered by the Municipal Council at its meeting held on 18-12-1940, it was resolved that the Council is agreeable for the appointment of the Special First Class Magistrate Davangere, as the Assessing Officer, for the Davangere Municipality with an allowance of Rs 50/- per mensem (Vide resolution copy enclosed for kind reference)

9 The President states that the expenditure on this account will be met out of the closing balance of the Municipality, since there is not enough of provision in the allotment sanctioned for revision of assessment work during the current year

10 He requests that sanction might be accorded to this revised resolution of the Municipal Council

11 I have looked into the matter I am of opinion that a separate Assessing Officer is necessary in view of the fact that

the

the handing over the revision of assessment work to the Chief Officer, will interfere with his normal duties Further there would be savings in expenditure if the Special Magistrate of the place is entrusted with this work on a monthly allowance of Rs 50/- instead of a wholetime special Assessing Officer of the status of an Amildar

12 The present proposal, besides, being cheaper and ecoromical will be also more efficient arrangement as a Senior Officer is proposed

13 In these circumstances, I request that orders of Government may kindly be obtained permitting the Davangere Town Municipal Council to take up the revision of assessment on houses and land due during the current year and to accord sanction to the appointment of the Special First Class Magistrate of Davangere as Assessing Officer for the above said purpose for a period of six months on payment of monthly allowance at Rs 50/- (as a special case) The expenditure on this account will be met from the closing balance of the Municipality

14 I solicit the favour of early orders of Government in the matter

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

With reference to your letter No. L 7691 dated the 28th April 1941 enquiring whether the Assessing Officer posted to this District has completed his work and whether he may be posted elsewhere, I have the honour to invite kind reference to my letter of even Number dated the 29th April 1941 reporting that Mr.Alasingra Char has been posted to Hunsur Town Municipality. After he completes his work at Hunsur, it is proposed to post him to Gundlupet Town Municipality This will, probably, keep him busy till about the end of August 1941.

It is seen from the reports received of the Presidents of the Minor Municipalities of Yelandur, Heggadadevanakote and Talakad that the revision of assessment in those Municipalities has to be taken up soon. Mr. Alasingra Char is getting a salary of - Rs.100+ 25/- per month and none of these Municipalities can afford to engage his services. In the circumstances, I suggest that an Officer on a salary of Rs.50/- or, Rs.60/- may be posted for attending to the assessing work of Minor Municipalities in this District

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
